WELCOME MESSAGE

"Yeh Hai Mumbai Meri Jaan!"

Welcome to the birthplace of ISP and the economic capital of our country, Mumbai. The city that never sleeps! Vibrant and pulsating, it's always on the move.... One of the biggest Metros, Capital of Maharashtra that is blessed by the Arabian Sea Coast where the seeds of ISP sprouted and were nurtured by the stalwarts of Periodontics.

Mumbai is the heart of India well connected by road, rail and air, both Domestically and Globally and is well known international and National Tourist destination famous for its historical heritage monuments like Gateway of India, the Taj, Victoria Terminus, commercial hubs, buzzing sobo to flea markets, government bodies and Extremely Happening Night life! The city and Bollywood are synonymous that produce the highest number of movies in the world.

Bombay (Bambai) to Mumbai..... this city is everyone's and for everyone!!

The Organizing Committee is delighted and pleasantly looking forward to welcome and host the delegates for a **Gala Event of 22nd ISP PG Convention from 22nd to 24th March 2024.**

This PG Convention shall provide a forum of communication and interaction amongst post graduate doctors as well as clinicians and academicians and explore talents in field of Periodontics and Implantology.

The 22nd ISP-PG Convention is aptly themed "**PERIO-SYNERGY - Collaboration for Rehabilitation**"

Venue for this event is the "**CIDCO CONVENTION CENTER**", a spectacular, state of art center where some of the most extravagant concerts, trade exhibitions of international dental and medical conferences in the city have been held.

The Convention promises to offer a feast of varied topics by national and international speakers, wide choice of pre-convention courses that would be held across most of dental colleges in Mumbai.

We believe that the charm of Mumbai and excitement in experiencing the dynamic scientific programme will remain memorable for all the delegates. All the Trade Partners are assured of our best cooperation, fantastic attendance and a memorable business opportunity.

So looking forward to hosting you all and wishing you an exhilarating Convention and a memorable stay at "**AMCHI MUMBAI !!**"
